

Caterina Roca is an artist with a keen, tender-hearted sensitivity. In **Mia and the Butterflies**, she portrays life in the country and the magic of dreams. As a bedtime story, it is ideal for telling to the little ones we love as we tuck them in and wish them sweet dreams. *Mia and the Butterflies* is the first release of the White Beard Collection of first books by Rock Oak Press.

A STORY FOR TELLING TO TODDLERS AGED ONE AND ABOVE.

A STORY FOR READING TO TODDLERS AGED THREE YEAR AND ABOVE.
